[www.dgof.de](http://www.dgof.de)

Dear author,

please keep this briefing available. It contains important information you will need for preparing your presentation at GOR 09.

Please note that the GENERAL ONLINE RESEARCH is organized online. This means that you will receive all material – including your invoice and your admission ticket – via e-mail or download at the GOR homepage or Conftool.

Thus, it is crucial that we always have your current e-mail address.  
Thank you very much for your help!

If you have further questions please do not hesitate to contact us.

We are looking forward to meeting you in Vienna!  
Your DGOF-team

## **1** Until January 31<sup>st</sup>, 2009

Please note: The abstract that you have submitted will appear **exactly in the same format in the abstracts reader**. For this reason we ask you kindly to check your abstract and your personal co-ordinates for the conference print-outs at <http://wp1101040.wp137.webpack.hosteurope.de/conftool09/>

**Please keep in mind that you are responsible for the accuracy of your abstract in form and content:**

**Please make sure the following details are correct:**

### **Mandatory:**

- Author(s)**: The name format has to comply with conventions mentioned in the Conftool, e.g., Leon Festinger(1), Karl R. Popper(2), James Coleman(1,2).
- Do not capitalize the entire title. **Capitalize** the first letter of significant words only, i.e. do not capitalize words such as *and, to, of, in*, etc. as mentioned in the information on your submission.
- Do not use **empty lines or double spaces** within your abstract and title, e.g. in the end of our abstract.
- To begin a **new paragraph** use only one hit on the RETURN key.
- Do not provide author names, additional author information in the **abstract field**.
- Correct your **spelling**.
- Do we have the title of your presentation?

### **Voluntary:**

- Did you mention all of your co-authors?
- Do you want to name their affiliation?
- Do you want to publish their e-mail addresses?
- Do you like to publish additional contact data of you and your co-authors (URLs, telephone numbers)?

### **1** Until February 15<sup>th</sup>, 2009

All visitors and participants of the GOR need to register through our Conftool. This registration is the confirmation that you will attend GOR. First named authors of the GOR get an allowance on the conference fee (145 EUR). The rebate is not valid for co-authors. Co-authors should register as regular visitors.

#### **Registration deadline**

To allow for a mention in the conference program, first authors must register by February 15<sup>th</sup>, 2009.

#### **Discounts**

- As a DGOF member you get a 20% discount. Thus, DGOF members pay only 116 EUR.
- The early registration discount for first authors is 15% (123,25 EUR) and is valid for registration until February 15<sup>th</sup>, 2009.

Together with your conference registration you can also book attendance of a workshop. Please note that for workshop attendance pre-registration is necessary.

#### **Your invoice and your GOR 09 ticket – two different PDF files**

After your registration through our conference tool you will get your invoice via PDF file. Please pay your conference fee within 10 days (receipt of payment in our account). Your ticket is valid for the conference and – if booked – for the workshops. You will find details about benefits, money transfer and terms and conditions at the registration page.

#### **Refund of fees**

Cancellation of registration for the conference is free of charge until February 28<sup>th</sup>, 2009. For later cancellations we have to bill the full price. You have the right to let a competent colleague give your presentation for you if you – unexpectedly – are unable to be present at the conference.

### **Until March 15<sup>th</sup>, 2009**

Posters offer a nice opportunity to get in touch with people who share research interests. Use this opportunity to explain your poster! Start a conversation! Posters can be more effective than giving a talk. Please note that program modifications are possible at any time. Please keep yourself up-to-date about the program at [www.gor.de](http://www.gor.de).

#### **Poster sizes**

All DIN A formats up to DIN A 0 (84.10 cm x 118.90 cm) are possible. You have the choice between portrait (upright) and landscape shape, though portrait is preferred. Make your decision about the poster format **until March 15<sup>th</sup>, 2009** and send an email to [office@dgof.de](mailto:office@dgof.de).

#### **Fixation**

The posters are hanging freely. The upper end is fastened on intended borders, for the lower end of your poster, bring loading material with you (clips etc.). Please bring the **fixation material** for your poster with you.

#### **Hint: Contact information**

Make sure you have flyers or hand outs handy that you can give to the conference participants who are interested in your research. Placing some paper and pencils next to your poster may be useful to give visitors the chance of writing down their addresses or comments whilst your poster is unattended.

#### **Bringing your poster**

Posters may be hung up right from the beginning of the conference. Please bring your poster along to the conference and fix it to the allocated poster stand. You do not need to show or send in your poster beforehand. The conference location opens on Monday, April 06<sup>th</sup>, 2009 at 9 a.m. The posters will stay fixed during the whole conference. The exact room for the poster exhibition will be announced shortly. The way to the exhibition rooms will be marked.

You will find your poster number in the conference program about three weeks prior to the conference and also at the movable wall designated for your poster.

### Postersession

Although the poster exhibition will last during the whole conference, there will be a designated poster session. During this poster session at least one competent person is supposed to stand next to the poster to answer questions or to give additional information to the interested audience.

### Poster award

The best posters will be awarded by a jury. The winners of the poster award (total EUR 500,-) will be announce at the end of the conference.

All important information for your stay in Vienna will be published soon at [www.gor.de](http://www.gor.de)

### **Accommodation**

Within the next few weeks we will offer you a contingent of hotel rooms.

### **University of Vienna**

The workshops as well as the conference will take place at the University of Vienna. The attractive conference site is situated centrally: the main building of the University of Vienna at Dr. Karl-Lueger Ring 1.
